Forecast for Sunday 29 May 2022

Weather: Cloud building through the morning, leading to some hazy sunshine but also the risk of occasional showers, heavy at times. The showers easing off into the evening with some clear periods developing.

Chance of cloud-free hill tops above 600m: 80%

Low cloud and visibility: Cloud occasionally obscuring routes above 500m, most likely in association with showers, but otherwise mainly above summit level. Showers will also reduce visibility for a time. Otherwise very good visibility is expected.
